And Three brothers, Charles leach, of Santa Anna CA., John Leach, of Lantry, SD. And Leo Cambell of Arnold. Besides relatives she leaves a host of friends and neighbors, and her loss well be keenly felt by her church and her club.

We are unable to express our heart felt appreciation to our relatives and friends, who so willingly and tenderly extended their help and sympathy during the recent illness and death of our beloved wife and mother.

Neither can we espress our deepest appreciation for the constant watchfullness and tireless efforts of the doctors and nurses, to the very last.
