

RICHARD BASSETT DIES AFTER A VERY LONG ILLNESS.

Richard E. Bassett passed away at the home of his parents, Mr. and Mrs. C. W. Bassett, Monday evening, December 10, after an illness of about two years, of rheumatism, and heart trouble, resulting from an attack of the "flu."

Following his recovery from the flu his parents took him to California hoping the change in climate would assist in his total recovery, and he seemed much improved for a time, but his heart was too badly affected, and after several months of suffering he passed away.

Funeral services were held Wednesday afternoon from the family home and interment made at the Arnold cemetery. Sympathy is extended to bereaved ones to console them in their loss.
