

Obituary.

Richard Elden Bassett, was born August 21, 1908, at Callaway, Nebraska. Together with his parents he came to Arnold, several years ago.

A few years ago, Dick, as he was lovingly called by friends and family contracted an attack of "the flu," and he never fully regained his health from this sickness, although he improved to a considerable extent. From this sickness came an attack of rheumatism, which never fully left him and about three weeks ago it led to the complications which called him from this life, on December 19, 1923.

At the time of his passing to the Great Beyond, he had reached the age of 15 years, 3 months and 19 days.

He leaves to miss him, his kind and loving father and mother, eight brothers and three sisters, besides friends and neighbors without number.
